

# Waldorf Leadership Development Program

With Torin Finser

**New Zealand Summer Residency  
24th - 28th January 2025**

Join us for an inspiring five-day summer residency of leadership development specifically tailored for Waldorf educators and schools, as well as participants and organisations inspired by the work of Rudolf Steiner. Enhance your leadership skills, deepen your understanding of Waldorf education and Anthroposophy, and connect with a community of like-minded professionals.

"...we need to share our questions, discuss them with open-mindedness, and find the common language to help us work together more productively. Each of us has a part to play. Any adult who takes responsibility for a task is a leader."
